Plain Talk

We Want Your Trade.

We will use every effort to make it pleasant and profitable for you to deal in Milwaukee and with us.

We don't expect business simply because we ask for it. Our plea for your orders is based on the distinct proposition to give you the purest and best—actually and really the best—not the "next best" or the "just as good."

That's the important thing to remember.

We sell at the lowest market price—give you the full benefit of every decline.

That's important too.

We are GETTING lots of new business, and we are holding it. A one-time customer comes again.

This thing of treating people right is the greatest trade-builder on earth.

Very truly yours,

The Chas. Baumbach Co.
Milwaukee.
